

# Veteran Advocacy Medical Clarity

AVAC Services is here to simplify the system with real experience, straight answers, and genuine support.

**AVAC**  
Services

# Supporting veterans with care, clarity, and confidence

AVAC Services provides professional, trauma-informed support to help veterans access their benefits, understand their options, and move forward with confidence.

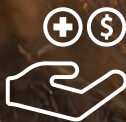

We're here to simplify complex systems and support you every step of the way.

**We offer comprehensive, holistic assistance  
tailored to each individual's journey, including:**

Applying for  
household services  
and income support

Connecting with trusted  
medical providers and  
financial advisers

Access to legal  
advice and  
representation

Specialised support  
for current serving  
members transitioning  
from the ADF

Whether you're  
navigating a claim,  
planning for discharge,  
or just need help  
understanding what's  
available to you, we're  
here to help.

# Support for veterans navigating the DVA system

AVAC Services helps Australian Defence Force members and medical providers confidently navigate the DVA system, with empathy, experience, and expertise.

## What we do

### DVA Claims Support

We help you lodge and manage claims with no jargon, no judgment.

### Benefits Guidance

Understand your options for SRDP, EYP, permanent impairment compensation, and more.

### Mental Health Pathways

Connect with qualified support and funding options, with veteran-aware advisors guiding the way.

### Non Legal Veteran Advocacy

Expert help without the legal jargon. Your ally in the DVA process.

## Book a free consult today

We assess your situation and you will get clear advice and hands-on help.

AVAC Services

# Supporting veterans shouldn't overwhelm your practice.

AVAC Services helps streamline DVA processes so your team can focus on care, not compliance chaos.

## Services for clinics & providers

### Medical Consultancy

Custom support to reduce DVA-related admin, improve efficiency, and ensure compliance.

### DVA Report Writing Support

Clear guidance and templates that align with DVA standards and timeframes.

### Training & Resources

Educate your team on billing, claims, and veteran-specific workflows.

### Ongoing Partner Support

Think of us as your DVA resource. When questions or claims arise, we're here.

## How we help

Minimise administrative time

Reduce rejections and delays

Improve outcomes for veteran patients

Ensure you're always up to date

# Elevate your wellbeing with a retrospective medical discharge

Are you a veteran seeking a path to improved wellbeing and financial relief?

## What we do

AVAC Services can assist you in claiming a retrospective medical discharge, potentially granting you access to vital income support mechanisms.

### Income Support Access

Unlock benefits like the Invalidity Pension through a successful medical discharge.

### Alleviate Financial Stress

Focus on your wellbeing with financial support in place.

### Comprehensive Support

From contentions to representation. AVAC got it covered.

### Collaborating with Medical Providers

We work with trusted medical professionals to strengthen your case.

## Book a free consult today

We assess your situation and you will get clear advice and hands-on help.
